## **Brief Profile**

Goods transport in India has become more specialized than ever before. With technology changing the way business is done, we at Embee too have introduced new concepts and products for taking on the new challenges and demands, and meeting the expectations of our customers. With the economy opening up, and foreign companies doing more business in India, Embee is all geared up to meet new challenges.

The Company had a humble beginning in 1976 from a small office in Mumbai, and has now transformed into a leading transport company in India having a network of approx. 60+ branches across the country, With 40 associates spread all over the country, we endeavor to serve our customers with unparalleled speed, safety and service, which is also the motto of our company. Once your shipment arrives at any of our terminals, it becomes our responsibility to deliver it to the destination within the guaranteed time.

The success is credited to the founders of the Company who nursed it with their sweat and blood. In this they were ably assisted by seasoned Directors and a set of young dynamic executives and the entire team of loyal, trusted workers.

Embee today operates from Maharashtra, Gujrat, Delhi, Punab, Haryana & some parts of Himachal Pradesh, Uttarakhand offering comprehensive services even from the remotest areas of the country ensuring absolute peace of mind and total customer satisfaction. Our service, speed, efficiency and reliability have guided our growth since inception. The same has also helped us in earning great respect from the country's leading companies who have for long entrusted their dispatches to us. Their strong faith is a mute testimony of the reliability and efficiency of our organization. Changing times and requirements have meant that a consignment never leaves our system till the final delivery is made at the door of the customer. The competitive environment has created the need for faster, efficient and high end transportation solutions. Once your shipment arrives at any one of our terminals, it becomes our responsibility to carry it, along with your trust, to the final destination within the guaranteed time.

The turnover of the Company today has grown to more than 100 crores and the fleet size has swelled to over 200 vehicles with thorough operational control mechanism, speaking volumes about our success and achievement. Our organization has a perfect blend of experience and youth working as a team and promising to take Embee from strength to strength. But our biggest achievement has been **Winning The Trust Of One And All**

## Success Story

Embee started its journey in 1976 with the sole mission to 'Carry your trust'.

The extensive network of the company today covers 40 associates and 60 branches across the country. More than 200 all-weather vehicles and extensive network of hubs and warehouses covering more than 10000 square feet, keep the goods extremely safe and secure. Operating 24x7, 365 days a year, we serve a customer base across different domains in India. At a turnover of more than 100 crores, we endeavor to serve our customers with speed, safety and quality services that are above par.

We are committed to do whatever it takes to deliver. Each one of us takes the responsibility of our own work, our teams and of the area of the organization we are accountable for.

Our customers are at the helm of our existence at Embee . We are an agile and proactive organization, responsive to the present and future needs of our customers. Ensuring Customer Satisfaction is the reason for our many decades of success in the transportation business.

We are proud of our untarnished track record of the highest productivity and efficiency in the country & have firmly entrenched our position as leader of the transportation industry.

Changing times and requirements have meant that a consignment never leaves our system till the final delivery is made at the door of the customer. The competitive environment has created the need for faster, efficient and high end transportation solutions. Once your shipment arrives at any one of our terminals, it becomes our responsibility to carry it, along with your trust, to the final destination within the guaranteed time. We closely monitor the movement with assurance in meeting the commitment. The creditability and safety have created our brand as one of the most reliable Transport Company in India.

Dear Sirs,

**Periodic Review of Recommendation Accorded to Transport Operators**

We refer to our letter 70-78/58-44-O/9-11/135 dated 06/06/2011 requesting you to furnish us certain information/documents in connection with the above.

In accordance with the procedure prescribed under the Scheme and the rules and terms and conditions prescribed by the Association for recommending Transport Operators to member banks and on your compliance thereof, we have carried out the review and it has been decided to renew the recommendation in your favour for a further period of three years, from **01/10/2011 upto 30/09/2014**.

The continuance of the recommendation for a further period of three years is subject to your continuous compliance of the various obligations undertaken and also the provisions of the Scheme and the rules and terms and conditions, prescribed from time to time by the Association, with particular attention to the obligations undertaken under Form XIV and the Letter of Undertaking which you have executed in favour of the Association.

Please note that even during this period of three years, the Association has the right to carry out a review of the recommendation accorded to you at any time it thinks necessary. Moreover, if any complaint is received from any of our member banks regarding any breach by you of the obligations undertaken under the Scheme or if it otherwise comes to our notice about non-compliance of any provisions of the Scheme etc., it will be open to us to review, at any time, the recommendation accorded to you.

Without prejudice to what is contained in Para 4 above, the recommendation would be reviewed again towards the end of the three year period mentioned above and for this purpose, the relevant information/documents should be submitted at least three months before the date of expiry of recommendation.

Please note that the purpose of IBA recommending Transport Operators to member banks is to facilitate them in preparing their own approved list of Transport Operators as also in disbursement/recovery of bank finance and IBA will not assume any responsibility with regard to your Transactions/agreements with any other third party.

We enclose, in duplicate, the proforma of a letter regarding submission of necessary documents etc., for the purpose of review by the due date. Kindly return one copy of the letter to us duly filled in and signed by you, in token of your agreeing to submit the aforesaid documents.

Yours faithfully,  
  
Vice President
